PARENTAL INVOLVEMENT

General Legal Requirements

- *The provider must take necessary steps to safeguard and promote the welfare of children.*
- *Providers must maintain records, policies and procedures required for the safe and efficient management of the settings and to meet the needs of the children.*

POLICY

Parents are the most significant person in a young child life, our setting intends to work with parents, supporting, encouraging and reinforcing best practice and guiding or advising when parents ask for suggestions of ways of caring and coping with children.

PROCEDURE

In order to do this we

- We ensure all parents know about our aims and policies including complaints.
- We encourage parents to become actively involved in the setting.
- Give feedback on their child's progress, using specific examples of achievement or behaviour.
- Provide parents with free access to their child's developmental records.
- Listen to parents comments and opinions about their child's progress and where requested, comments from parents are incorporated into their child's records.
- Ensure times, places and information about meetings is available to all parents.
- Inform parents about training which might interest them e.g. importance of play or running the setting.
- Ensure copies of the inspection reports are available for all parents.
